

City Calvary Chapel

Senior High School Ministry

IGNITE in the Attic

Vision and Purpose Statement

The Youth Ministry at City Calvary Chapel is a ministry to **equip** the students, help them build a sense of **community** with each other and with the church body as a whole, and challenge them to **reach out** to those outside of the church.

- **Equipping:** This is a ministry to train the students to become mature in Christ and to build up the body of Christ using their own gifts. We seek to equip students through teaching the Word of God, which prepares them for good works. (Eph. 4:11-16; 2 Timothy 3:16-17)
- **Community:** This youth ministry will seek to provide a community amongst the students within the ministry, the church body at City Calvary, and the global church. We seek to help students realize their unique roles in the local and global church body. (1 Cor. 12:20-27; Rom. 12:4-13)
- **Outreach:** The students will be challenged to go outside the walls of the church to reach out to their friends, family, and community for Jesus and will learn what it means to make disciples. (Matthew 28:19-20; Acts 1:8)
