

## LIFE GROUP DISCUSSION QUESTIONS

**1. How do an unwillingness to repent and a hard heart go together? What does it look like in a person's life who walks in repentance with a soft heart towards God? Does this describe you? How does the Lord want you to grow in this?**

**2. Are you willing to listen and learn or do you think you know most everything? Describe your life in this area and how does God want you to grow? Give examples. Spouses have permission to share their observations of you.**

**3. Are you satisfied with being a "Christian" (do's and don'ts) or do you want to know Jesus in an ever-increasing way? We all know the answer God wants but what is the reality in your own heart? What is God speaking to you about this?**
