

LIFE GROUP DISCUSSION QUESTIONS

Read all of the parables in Matthew 13. What about the Kingdom of Heaven is Jesus wanting to teach in this group of parables and why is this important?

Was Jesus deliberately trying to confuse some of his listeners when he taught in parables? Is this fair?

When your heart is hard towards the Lord, do you find it difficult to learn anything from Him? What is the condition of your heart right now?

The two thorns that Jesus mentions are “worries of this life” and “deceitfulness of wealth”. Do you find these thorns in your own life? How do we live out Colossians 3:1-4?

What is the fruit that God wants to see in your life? Is it there? Why would Jesus mention that some have “30, 60, 100 times what was sown”? What is the difference? How does the Lord want you to grow in this?
