

LIFE GROUP DISCUSSION QUESTIONS

1. Are you always willing to follow Jesus where He is leading you? Has there ever been a time when you didn't go where Jesus was calling you to go because the mountain was too high? What might Jesus have shown you? Why did Jesus only take Peter, James, and John? Does He have favorites?

2. Why did Peter want to build shelters? It seems that it was a time for worshipping and not working. Are you more comfortable worshipping or working? How can you grow in this?

3. The Father said: "This is my Son, whom I love; with Him I am well pleased. Listen to Him!" How do you listen to Jesus? Are you more prone to talk or listen? What changes need to be made in your life to better hear Jesus?

4. Is Jesus supreme in your life? How do you know?

5. Peter wanted to memorialize the moment of the transfiguration but Jesus led them back down the mountain. Are you ever tempted to stay in the mountaintop experience instead of learning from it and moving on? Do you rely on past spiritual highs?
