

## **LIFE GROUP DISCUSSION QUESTIONS**

1. Jesus gave specific words on marriage and divorce. The disciples responded by saying: "If this is the situation between a husband and wife, it is better not to marry." Do times change and are the rules different for us today regarding marriage and divorce? What should we communicate about marriage?

2. What should be our attitude towards singleness and those who are single? What role do they play in the Body of Christ? How can we encourage and love the singles?

3. How are we to bring our children to Jesus? If you have children, describe your discipleship of them (family devotions, prayer, conversations with them). How can your Life Group help you in this?

Please spend time in prayer for our church that we would be exactly what God wants CCC to be. Pray for the leadership to hear God's voice and to know His leading as vision is continually established. We want the Lord vision.
