

## **LIFE GROUP DISCUSSION QUESTIONS**

1. What is the principle in Jesus answer to the first question in verses 15-22? How do we live this out? How can we be good citizens of the USA and heaven? Do you cheat on your taxes? What does it look like to give to God what is God's?

2. What is the principle in Jesus answer to the second question in verses 23-33? How does the knowledge of eternal life change the way you live today?

3. What is the principle in Jesus answer to the third question in verses 34-40? These commands of love seem impossible. How do we accomplish this? (Keep in mind that love is a fruit of the Holy Spirit)

4. What would it look like if we lived out these principles? What would our church look like? Is there anything keeping you from doing this? Is there anything keeping you from loving God with the whole of you? Is there anything keeping you from loving your neighbor? How does God want you and all of us to grow?
