

LIFE GROUP DISCUSSION QUESTIONS

1. How is life the same or different now as compared to the time of Noah and the flood?
2. What is it to be preoccupied with the normal things of life? How do we keep from becoming overly side-tracked with the busyness of life? What about you, are you ready for the rapture or would you like more time to prepare yourself? What needs to change so that you will be ready?
3. How does God want us to be building His kingdom today as Noah built the ark (for 120 years) those many years ago? Who are you praying for to become a believer in Jesus?
4. How do we effectively keep watch for the return of Jesus?
